AA Affordable Realty offers service to reduce a property tax on resident dwellings.

First notification to a tax district must be made approximate May 1st & not later than the third week in May to be effective for the following year taxes. The sooner to contact the tax district results in a more desired reduction. If necessary, for a contested desired reduction, it must be requested before June 1 for a scheduled date at a later date. If no contact is made to the tax district before June 1st than the results would not be effective until the following year.

AA Affordable Realty offers a FREE Realty consulting first session for Buyers, Sellers and a special one for Tax reduction plus Renters. Use this first Free session that may optional be scheduled to be received by phone and explains how to receive Free funding minus expense after closing funding not related to closing expenses.
